# What is the Minnesota Child Care Resource & Referral Network?

.....

## Minnesota's trusted child care resource

The Minnesota Child Care Resource & Referral Network helps families find child care and understand their care options, supports child care providers through grants and education and informs the community on the importance of child care.

For more information, call (888) 291-9811 or log on to [www.mnchildcare.org](http://www.mnchildcare.org)

Quality Care and Education for Every Child
